

Lutness named "one of the 54!"

We have been told by one of the Democratic Parties top political gurus that

"if your polling looks good in the 38th for Obama and if Obama looks like he is going to sweep CA the way we think he is, then we will be really supporting your race. You are definitely one of the 54!"

Right now the Party is putting their efforts into securing other key races because they are pretty sure they can take those seats but if Obama looks good in our district and across the state then we believe we are going to get a lot of help. This will help all our 38th AD candidates and help the 38th as well to **Turn Blue**.

We have exactly 3 months to go to win. This is the election of a lifetime. There will never be the opportunity we have now to wrestle control back from Republicans and begin to restore what they have nearly destroyed. But we can't do it without you.

Please pledge to do at least *two hours a week* on some activity that will bring us closer to our goal. Your help on our campaign ---- walking, phoning, etc contact (661) 755-3772 as well as your efforts at :
